Attention all Cadets and Parents...

Anyone, 18 OR ABOVE, who is planning on attending (cadets, parents, grandparents, friends, siblings, etc.) must provide us with first name, last name, and date of birth. This information is REQUIRED for access into the base on the day of the event and must be listed as it appears on your official form of identification (driver license etc.) e.g. if your driver's license has Michael please don't use Mike or if your last name is hyphenated Jones-Smith, don't use just Smith. The information you provide us will be turned into base security. If your identification does not match with the list you will be denied access, NO EXCEPTIONS. This is an active military base and we must comply with their policies. All families attending with their Sea Cadet or League Cadet will be required to bring a dish. Please bring enough food to feed at least 15 or so people. This ensures there will be enough food for everyone. **We must have all attendees information (and if possible dish you will be bringing) by 3:00 PM Monday November 25, 2013 or sooner.** No additions can be made after this date, so please do not bring individuals that have not been placed on the security list. Volunteers are needed after the event to help clean up so we can get out on time.

Happy Holidays!!!
